

HOMEOWNERS LOOK TO THE ROOF THIS FALL

Wind, hail and damage caused by rain entering a building are among the most common causes of property damage for many of our home insurance customers. To help protect homeowner property and belongings, we recommend focusing on the roof, which is especially vulnerable to inclement weather conditions.

To help ensure your roof is in good condition and prevent potential damage make sure to take a look at our recommended 6 steps.

The Marine Corps Birthday

Today marks the 239th birthday of the US Marine Corps. During its history the Marines have fought our country's foes in every clime and place in defense of our freedom with courage, commitment, loyalty and self-sacrifice. I would like to salute you and wish all Marines a most Happy Birthday.

JoJo's CORNER

Hello! My name is JoJo and I am two years old. I enjoy books and love to have people read to me, especially at bedtime. I am going to suggest an excellent children's book to you, for if you are a parent, sister, brother, grandparent or a kid like me you probably like to read or be read to. Hopefully you will like my suggestions.

Old Mother West Wind Stories by Thornton Burgess

First published in 1910, these 16 short stories of animal tales have enthralled children and adults for over a century. This book details the adventures of Old Mother West Wind and depicts the amusing adventures of the forest animals like Reddy Fox, Johnny Chuck, Grandfather Frog and others. The wonderful illustrations make these tales come alive and provide stimulation for the young children's imaginations. This is truly a delightful read for all involved.
